### **BUSINESS**

#### **Climate Strike 09/20-09/27**

1. After discussion of options, it was decided to hold a vigil prior to a movie presentation. The movie will be Before the Flood or Chasing Coral
2. Doug will check to see if UCC Fellowship Hall is available Tuesday, September 24 or Thursday, September 26. If the hall is available, the vigil will be held on the corner across from the water tower
3. Pat will contact Michael Hopps/Gary Paine to see if a lecture room is available at CLC. If it is, the vigil will be held on the round-about near the front of CLC.
4. The vigil will be at 5:00 pm with the movie following at 6:00.
5. Larry will check to see if there are posters available through MN350. If not, we will create a poster and all be responsible to distributing.
6. Doug will be responsible for news' releases
7. Larry has contacted the high school with no response

#### **Affiliation with MN350**

Larry has contacted MN350 and can see no disadvantages in affiliating. We still need to determine if there are dues, and how much autonomy Blue would retain with an affiliation with MN350.

The October meeting will be devoted to a thorough discussion on affiliating with MN350. Please take a few minutes to go on MN350's website and review the content.
